CONIGNED BY: Greta Drennan

D.O.B. 05/07/2017 **TLBAA #** CI308289*

P.H. 517

BREEDING: Heifer calf at side born on 12/16/2021 sired by RWR Respected Cowboy 419.

MEASUREMENT: 74" TTT ON 06/04/2022 Calf measurement is 14" TTT

COMMENTS: Very nice, feminine female with several over 80"TTT animals in her pedigree, and one over 90" TTT. She is smooth as fresh cream! Super easy on the eyes with her horns that are rolling out nicely. She's going to be one to keep a close eye on. 74" TTT in June. Left open to breed to the bull of your choice.
