**BREEDING:** Heifer calf at side born on 06/05/2022 by Delta Lucky Ace. Being AI'd back to JH Rural Safari Son with heifer sexed semen for a possible 3 in 1.

**COMMENTS:** OCV'd. This is a full sister to BL Rio Catchit, who has been one of our foundation cows and not an easy one to let go of. Her genetics are not impossible to find but rare for this fantastic female line to be sold at auction. She is very deep in her chest and holds her conditioning very well. She has a 2022 heifer calf by Delta Lucky Ace at side and we will have her AI'd back to JH Rural Safari Son with heifer sexed semen for a possible 3-in-1 total female package!! We are aggressively working to better our program and the breed through AI and embryo work. We are retaining her awesome Rebel HR daughter and have decided to offer her to your program. Don't miss this unique opportunity!
