**COMMENTS:** OCV'd. PCC Roxberry is a great mix of old school famous genetics, J S Overdrive and current day horn measurement champions like, PCC Rim Rock. She measured 67.75" at 32 months. Roxberry sells with a herd sire prospect at side by Gold Mine 1 (85") and is AI'd to M.C. Hangin' Tuff who measured 94" on his 3rd birthday!
