**COMMENTS:** OCV'd. This cow has been like a machine, with over 80" of beautiful Texas twist. Fembot has out produced herself twice already. Her first son California Chrome LR has set records that no other Jamakizm son has, as well as becoming our Herd Sire. She is cube hound friendly and as easy to work as they come. Excellent mother and milker. She has been AI'd every year with no problems and never flushed. DNA on file with TLBAA. For more info check her out at [www.LucasRanch.net](http://www.LucasRanch.net)
